

Certificate of conformity of the factory production control

1245-CPR-3104

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Prefabricated timber structural members assembled with punched metal plate fasteners

for buildings under factory production control and the continuous surveillance, assessment and evaluation of the factory production control under system 2+ by

Timber Pak SW Ltd

and produced in the manufacturing plant

Units 4 & 5, Redlake Trading Estate, Ivybridge, PL21 0EZ

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s)

EN 14250:2010

under system 2+ are applied and that the factory production control fulfils all the prescribed requirements set out above. This certificate was first issued on 21 November 2020 and will remain valid if the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.

**Glenn Sharples
Director
Morecambe
21 November 2020**

This certificate remains valid subject to six or two twelve surveillance audits as applicable to the standard/s and that the above manufacturer produces products in strict adherence to the above standard and CPR and does not change or amend their products and their FPC. Product liability is the responsibility of the above company and CATG cannot accept any responsibility.
